New User Registration

- Create a CMT account using the "New User? Sign Up Here" link on their CMT Conference main page.

The screenshot shows the Microsoft Research ICSR2012 International Conference on Social Robotics website. The header includes the Microsoft Research logo and the conference details: "International Conference on Social Robotics, 29-31 October 2012, Chengdu, China". The main content area is titled "Welcome to ICSR2012's CMT Site". Below this, there is a "ICSR2012 Login" form with fields for "Email:" and "Password:", a "Login" button, and a "Login Help" link. Below the form, there are links for "Forgot your password? Reset here" and "New Users? Sign up here". To the right of the form, there is a paragraph of text: "CMT is a conference management service sponsored by Microsoft Research. CMT is a free service and its functionalities are fully accessible through its web based interfaces."

- The "next" button is at the bottom right corner of the Sign Up Wizard web pages.

The screenshot shows the "CMT Sign Up" page. The header is the same as the previous screenshot. Below the header, there is a section titled "CMT Sign Up" with a red warning message: "Please make sure that cookies are enabled on your browser. If cookies are not enabled, you may not be able to sign up, or use CMT." Below this, there is a "Welcome to the Sign Up Wizard" section. On the left, there is a vertical menu with links: "Welcome", "Author EULA", "Verification Code", "Contact Information", and "Finish". The main content area says "This wizard will help you sign up. Please click 'Next' to continue." At the bottom right corner, there is a "Next" button.

- Input information following the instruction of the wizard. Login to the system after you see this page.

CMT Sign Up

CMT is a conference management service sponsored by [Microsoft Research](#).
CMT is a free service and its functionalities are fully accessible through its web based interfaces.

Supported Browser

- Microsoft Internet Explorer; (IE) versions 6, 7, 8 and 9.
- FireFox; Current and released versions 2.0 and above.
- Note: Other major Browsers (e.g. Safari, Chrome) may work if they support Javascript and SSL.

Check Browser Settings for Using CMT

- Enable Javascript in the browser settings or options. The CMT Web interface uses Javascript and will not function correctly without it being enabled.
- Cookies are required to be enabled in order to use the CMT service. Set Security in the Browser to allow or accept cookies.
- If your browser supports a list of sites, please add <https://cmt.research.microsoft.com> to the list of allowed sites.
- Accept the Secure Socket Layer (SSL) Certificate popup to allow you to connect to the CMT server over a secure connection. Once you accept a certificate it is added to a list of Trusted Certificates and you won't be asked to accept or reject the certificate again. If you reject a certificate, you will be unable to connect to any CMT conference.
