## Paper Submission Instruction

<http://icsoro.org>

Enquiry: [sec.icsr@gmail.com](mailto:sec.icsr@gmail.com)

### New User Registration

- Create a CMT account using the "New User? Sign Up Here" link on their CMT Conference main page.

The screenshot shows the top navigation bar with the Microsoft Research logo and the event title "ICSR2012 International Conference on Social Robotics" held from 29-31 October 2012 in Chengdu, China. Below the navigation bar is a blue header with the text "Welcome to ICSR2012's CMT Site". The main content area features a "ICSR2012 Login" form with fields for "Email:" and "Password:", a "Login" button, and a "Login Help" link. Below the form are links for "Forgot your password? Reset here" and "New Users? Sign up here", with the latter link circled in red. To the right of the form, there is a paragraph stating "CMT is a conference management service sponsored by Microsoft Research." and "CMT is a free service and its functionalities are fully accessible through its web based interfaces."

- The “next” button is at the bottom right corner of the Sign Up Wizard web pages.

The screenshot shows the "CMT Sign Up" page with a red warning message: "Please make sure that cookies are enabled on your browser. If cookies are not enabled, you may not be able to sign up, or use CMT." Below this is a "Welcome to the Sign Up Wizard" section. On the left, there is a vertical menu with links: "Welcome", "Author EULA", "Verification Code", "Contact Information", and "Finish". The main content area contains the text: "This wizard will help you sign up. Please click 'Next' to continue." At the bottom right corner of the main content area, there is a "Next" button circled in red.

- Input information following the instruction of the wizard. Login to the system after you see this page.

**CMT Sign Up**

Please make sure that cookies are enabled on your browser. If cookies are not enabled, you may not be able to sign up, or use CMT.

## Supported Browser

- Microsoft Internet Explorer; (IE) versions 6, 7, 8 and 9.
- FireFox; Current and released versions 2.0 and above.
- Note: Other major Browsers (e.g. Safari, Chrome) may work if they support Javascript and SSL.

## Check Browser Settings for Using CMT

- Enable Javascript in the browser settings or options. The CMT Web interface uses Javascript and will not function correctly without it being enabled.
- Cookies are required to be enabled in order to use the CMT service. Set Security in the Browser to allow or accept cookies.
- If your browser supports a list of sites, please add <https://cmt.research.microsoft.com> to the list of allowed sites.
- Accept the Secure Socket Layer (SSL) Certificate popup to allow you to connect to the CMT server over a secure connection. Once you accept a certificate it is added to a list of Trusted Certificates and you won't be asked to accept or reject the certificate again. If you reject a certificate, you will be unable to connect to any CMT conference.
